ANNUAL WORKING COMMITTEE REPORT 2022-23

“RICH LEGACY OF 107 YEARS”

A Request

All care has been taken to avoid any mistake in the information contained in this Annual Report. Still the possibility of inadvertent errors cannot be ruled out. The readers are requested to point out such mistakes so that they may not be repeated in future.

- R.S. Joshi, Hony. General Secretary

From the desk of President

It gives me immense pleasure in sharing some of my thoughts and notable milestones of Marwari Hospitals in the year gone by. All of this has happened because of the faith and trust rendered by you on all of us.

Marwari Hospitals is truly blessed to have such a group of motivated and involved donors and well wishers and a team of highly dedicated medical professionals and employees that make our task of implementing changes so much easier.

After two years of Covid-19 pandemic disruptions, F.Y. 2022-2023 has marked a gradual return to normalcy in our hospital operations. However, we are yet to fully recover from the financial impact of the covid pandemic. We have taken several steps to overcome this.

We had rolled out an ambitious plan of total digitalization of our operations in the later part of 2022. It was not an easy task to start with. It required a high degree of persuasion and constant encouragement and support to our medical professionals and non-medical staff. Today, we have come a long way in implementing this plan. But still we have a long way to go to complete this process.

Introduction of Drug Formulary System is yet another initiative which have been taken to reduce the inventory holding cost and streamline the Pharmacy purchases. This in turn has reduced the cost of medicine to the patients. The benefits of introduction and implementation of Drug Formulary system are already apparent. The average monthly cost of our inventory have come down from Rs.70.00 lakhs last year to Rs.62.50 lakhs this year.

In the field of preventive health care and also to create awareness amongst the general people we have held 97 health camps during 2022-2023 which is the highest so far in any particular year.

In the pursuit of our objective to provide affordable health care service, apart from the fact that our rates for almost all the services are substantially lower than other hospitals, we have a concession policy to give discounts/concessions to various categories of patients/services rendered by us. In the F.Y. 2022-2023, we have given discount/concession of approx. Rs.2.36 crores under our various schemes.

From the current year we have revived our free Surgery Scheme in association with M/s. Lohia Charitable Trust. In the first camp organized, a total of 84 patients have undergone successful free surgeries.

Shree Gauhati Gaushala Trust has allotted us land in the campus of Maligaon Gaushala for setting up a Nursing College and Nursing Hostel. In addition they have also agreed to provide a suitable plot for establishing an outdoor dispensary in Maligaon area on the lines of FBOD. This will be a boon to the patients of the catchment area there.

The new OT complex was inaugurated by Shri Keshab Mahanta, Hon'ble Minister of Health & Family Welfare, Information Technology, Science & Technology Govt. of Assam on 18.01.2023. This will enable us to perform certain high-end surgeries like kidney and liver transplant, cardiac surgeries etc. in the time to come.

Despite a lot of challenges ahead, potential for tremendous growth is always there. Facilitating high standard of affordable healthcare delivery remains our enduring mission.

In our mission for development, we seek continuous support from all of you.

With warm regards,
RAMESH GOENKA
PRESIDENT

From the desk of General Secretary

Dear Esteemed Members and Well Wishers,
Season's Greetings!!!

I would like to share some of my thoughts with you all.

I am a witness to the positive changes our hospital has been able to make in the life of many families. Marwari Hospitals truly lives up to its vision of relentlessly dedicating themselves in bringing excellence in healthcare within the reach of all. Every decision of ours always tries to add value in the availability of quality health care for the common and poor people who are otherwise deprived of quality health care.

Healthcare industry is facing numerous challenges especially after coming out of the difficult Covid times. Cost of delivering medical service has gone up tremendously. And, it remains a constant endeavour of ours to make healthcare affordable.

We are truly blessed by gracious donations from various well-wishers and the unflinching support of all of you that make our job a lot easier. However, the operating costs, especially in an old hospital are huge.

There has been a continuity of thoughts and actions over the last few years since the previous Presidency of Shri Ramesh Goenka, followed by the Presidency of Sri Sarat Kumar Jain and current Presidency of Shri Ramesh Goenka. This has seen the gradual modernisation and improvement of the infrastructure of the hospital and addition of newer facilities. Today, Marwari Hospital is at par with other city based hospitals in the private sector. Very soon, the upgradation work of our HDU including isolation ICU facility would be ready. We hope to establish the Diabetes Centre of Excellence in the next few months' time.

The year gone by has been a very eventful and challenging year. During the year, an all-time high investment has been made in creating new Assets for Marwari Hospitals. The occupancy of the hospital is showing an increasing trend. The daily OPD footfall is also increasing. The sincerity of our president Shri Ramesh Goenka, and the dedication and perseverance of all other Doctors and staff of the hospital are all instrumental in contributing to the continuous growth of the hospital and the good cause of Marwari Hospitals. The President is leading by example and this has instilled confidence in every MHites which is helping the hospital attain the glories it seeks and fulfil the dreams of our founding fathers.

Marwari Hospitals today is a preferred health care destination for a vast majority of patients across the region. Marwari Hospital today boasts of all Secondary Care Hospital facilities and a few super Speciality services. In the year gone by, we have made the new OT complex operational and added newer services. Our hospital today performs Neuro surgical operations regularly with a very good clinical outcome. Different Joint replacement surgeries are being performed successfully. Newer services which were introduced in the year like Home Care Service and Evening OPD has received good response. SOP's for various operations and functions are being developed and expected to yield positive results for the hospital.

It is a matter of pride for us that this year, all 6 seats have been allotted in the very First Round of Seat allotment itself for the NBE seats in Family Medicine and O & G for MBBS doctors. We are hoping that the job oriented paramedical courses would also receive a positive response. The admission process shall commence once the results of the entrance test being conducted by the Srimanta Sankardeva University of Health Sciences is announced.

I extend my appreciation to all office bearers, WC & Committee members, DMS, HS, Doctors, Executives and staff, without whose sincere efforts, the accomplishments of this high order would not have been possible.

I extend my heartfelt gratitude to all the donors, NGO's and well-wishers for their valuable support. A special word of gratitude is reserved for Shree Gauhati Gaushala Trust for helping us in numerous ways

Your continuous support & blessings enables me to face the challenges diligently and inspires me to continue to serve this blessed organisation.

With warm regards
R S Joshi
Hony. General Secretary

3. THE YEAR GONE BY AND THE WAY FORWARD:

After two years of pandemic led disruptions, F.Y.2022-23 marked a gradual return to normalcy in operations. The year gone by was the first year free of Covid and it has been a time of trial and tribulation for all of us. Marwari Hospitals came across numerous challenges but have gracefully faced them. The Hospital has undertaken numerous activities and newer services to benefit the people. We are also working on different verticals and planning for more services and activities in our Hospital. We have tried to become affordable and sustainable by innovating our operations.

4. Administration and Legal Affairs:

- A. Public Utility Service: Considering the nature of the service rendered by us, the Govt. of Assam declared the services of Marwari Hospitals, as Public Utility Service under Industrial Dispute act, 1947. On October 22, 2021, we received the “Notification of Orders by the Governor” from the Labour Welfare Department for a period of 6(Six) Months with effective from October 22, 2021, which has since expired on April 21, 2022. Application for renewal had been submitted to the Labour Commissioner on April 4, 2022. Our application is duly forwarded by the office of the Labour Commissioner, Govt. of Assam (GoA) to the higher authorities for renewal of Public Utility Certificate and it is still pending with them.
- B. Legal matters and patient complaints:
 - i. Matter of PC-PNDT: The old case of PC-PNDT is still pending before the Honb’le Gauhati High Court.
 - ii. Cases filed in District Consumer Disputes Redressal Forum:
 - a) C. P. C case no. 112/2017, filed by Lalbabu Mahato under Consumer Protection Act, 1986 is settled through mutual agreement under the aegis of the District Consumer Redressal Forum.
 - b) Complaint of one Pawan Kumar Agarwal under Consumer Protection Act: C.P.C. Case No. CC/80/2021 is going on in the District Consumer Disputes Redressal Forum and being followed up by our Advocate.
 - c) Consumer Complaint case no. 18/2023, filed by Md. Ayezul Ali against one of our doctor recently is pending.
 - iii. Defamation Case filed by us against Uma Shankar Bajaj for maligning the image of the Hospital is pending before CJM Court. Shri Bajaj has also filed a case against us under the Consumer Protection Act, which is pending in the District Consumer Disputes Redressal Forum.

5. Affordability:

In pursuit of our objective to provide Quality Health care services at affordable rates, we have taken various steps to bring down the cost of the treatment to make it more affordable for the general public. Our

Rates Review Committee reviews the rates from time to time. Few of the packages and concessional schemes are as follows:

- i. Concession Policy: Different types of discounts are given to the patients in order to provide them relief and make the treatment affordable to everyone. At present following discount policies are in place:

9	Employees of Shree Gauhati Gaushala	100% discount on treatment charges in GW and in ICU /OPD

- ii. Approx. 20% of total beds of our hospital are kept reserved for General Ward patients.
- iii. **Support from Charity Fund/ Poorest of the Poor Scheme :** From 1st April, 2021, an unique initiative was introduced for the welfare of the patients admitted in general wards whereby we waived off the entire accommodation charges, nursing care charges, resident doctor fees and diet charges.

This service was availed by a total 1170 patients in 2021-22 and 1861 (including 113 poorest of the poor patients of ICU) patients in 2022-23. An amount of Rs. 81,70,110.00 was spent by the Hospital during 2022-23, out of which an amount of Rs. 19,81,400.00 was received during the same period towards sponsorship for this scheme. The occupancy in general wards remains almost 100% for most of the time which speaks volumes of the popularity of the scheme.

- iv. **Discount on ICU seat rent sponsored by Shree Baijnath Garodia Charitable Trust :** Under this scheme, patients recommended by Shree Baijnath Garodia Charitable Trust, are eligible to get 100% discount on Seat Rent for ICU/HDU stay, for maximum of 20 patients per year. During the year 2022-23, a total of 20 patients have been benefited under this scheme.
- v. **Discount/Concessions :** In the Financial year, 2022-23, we have provided a total discount of Rs 2,35,94,701 as per details given below:

Total	190961	2,35,94,701

- vi. **Free Surgery Camp in association with Lohia Charitable Trust :** Marwari Hospitals conduct free surgery camps for poor patients. In this iconic scheme, poor and needy patients are offered consultation and surgery for diseases of the Gallbladder, Appendix and Hernia at absolutely no cost to the patient. The hugely popular scheme which was on hold owing to the Covid pandemic was again revived for the benefit of the under privileged and economically weaker section of the society with the support of

Lohia Charitable Trust. All senior consultants in the department of Surgery and Anaesthesiology are actively involved in this social cause. Registration and screening for the free camp was done on 26th and 27th May 2023 and surgeries were started from 2nd of June. A total 87 patients have undergone successful operations till writing of this report.

The management of Marwari Hospitals is very much grateful to Shri Kailash ji Lohia, the Managing trustee of Lohia Charitable Trust for his utmost generosity towards the hospital and his contribution for this free surgery camp. The inaugural programme of the free surgery camp was held on 2nd June 2023 in the hospital auditorium in the presence of Chief Guest Shri Kailash ji Lohia, Working Committee Members, invited Guests, donors and staff of Marwari Hospitals.

- vii. **Surgical Packages** : To perform all surgeries at an affordable rate, Marwari Hospitals has designed various surgical packages for most common surgeries since a long time. Transparent package charges have been developed based on the bed category of the patient.

General Ward Packages

6. Operations:

i. **Housekeeping Services :** Housekeeping is an important support service in a hospital, which takes care of cleanliness, maintenance & aesthetic upkeep of patient care areas, staff areas, lobby and administrative wings etc, of the hospital. Our Housekeeping Committee is regularly monitoring the overall cleanliness of the hospital and handling different housekeeping related issues. The members of the housekeeping committee carry out hospital rounds fortnightly. Cleanliness of the hospital is paramount and the team is doing a wonderful job in achieving such a high level of cleanliness in our hospital.

ii. **Ambulance services and Mobile Blood Donation Van :**

1. Our hospital has 4 Ambulances:

- i. One Force make Critical Care Ambulance with life support facilities.
- ii. One Maruti ambulance van for pick up/drop service for the expecting mothers.
- iii. One new advanced BLS Ambulance; Mahindra & Mahindra make Bolero plus AC BS4 WD.
- iv. One advanced BLS Ambulance; Maruti make Eeco.

Our Hospital provides free ambulance services to the expecting mothers within a 10kms radius of the hospital, and for other ambulances, the charges are competitive.

2. **Mobile Blood Donation Van :** One Mobile Blood Donation Van - Model Force Traveller D.V 4020, which is being used for organizing blood donation camps, outside hospital premises. In the FY 2022-23, a total 34 camps were organized through this mobile blood donation van and 895 units of blood were collected.

iii. **Canteen/ Cafeteria services in Central Block :** As per NABH guidelines, canteen/cafeteria service is mandatory for a hospital. Accordingly, on advice of clinical Dietician/Doctors, nutritious meals are provided to patients. The canteen is also providing its services to the doctors, hospital employees as well as patients' attendants. Proper quality check and hygiene is being monitored by our dietician.

iv. **Security Services and Disaster Management :** The Security and Disaster Management department of a hospital plays a vital role in maintaining proper discipline and to comply with all laid down rules-regulations inside the hospital premises. Regular training programmes for all the hospital staff and security personnel, including mock drill and fire training from time to time are being organized. Fire related trainings are conducted with the help of experts from the Fire and Emergency Dept. and Civil Defence Dept., Govt. of Assam and our in- house experts.

- v. **Parking Facilities :** Our hospital, built on land donated by well wishers, is situated in a very busy area with very high volume of traffic at all times. There never was adequate space for parking of vehicles of employees and patients. Parking space was a very big constraint for the Management of Marwari Hospitals. Finally after a series of deliberations and humble requests, the Management of Shree Gauhati Gaushala Trust very kindly allowed the Hospital enough space inside their premises for parking of vehicles. Now the problem of parking is eased to a large extent, and doctors, staffs and patient's attendants can park their vehicles inside the Gaushala premises comfortably. This kind gesture of the Management of Shree Gauhati Gaushala Trust has resolved this very long pending problem and the Management of Marwari Hospitals shall remain ever grateful to them.

7. Infrastructure Development:

- i. **External Face lift :** The external look of the hospital was not very welcoming. Banners, Posters, electrical wires etc were hanging in front of the building in a haphazard manner. It was decided to undertake aesthetic face lifting work of its different blocks which included removing unwanted /extra wires, shifting of the AC outdoors and other unwanted things to some other place, cleaning, repairing and finally painting the front façade of the building. The whole job entailed significant expenditure and time, but the final result is there for all to see.
- ii. **The new OT Complex :** The new OT complex of our hospital was inaugurated on 18th January, 2023 by Sri Keshab Mahanta, Hon'ble Minister of Health and Family Welfare, Information Technology, Science and Technology, Govt. of Assam. On this occasion Sri Avinash P. Joshi, IAS, Principal Secretary, Health and Family Welfare, Govt. of Assam, Office Bearers, Members of the Working Committee, distinguished Guests and the esteemed donors were also present.

The new OT complex is located on the third floor of the MSB of our hospital, and comprises of 5 OT's which include 2 modular OT's, 2 non modular OT's, 1 septic OT, PAC room, pre-operative area, recovery room, Doctor's lounge and various other amenities. The setting up of this new OT complex will immensely benefit the patients and allow them to avail quality services at a most affordable cost under one roof. This will also enable us to perform certain high end surgeries such as kidney and liver transplant, cardiac surgeries etc. in the time to come. We express our heartfelt gratitude to all the donors for their generous support for setting up this new OT complex.

- iii. **Electrical Systems Revamping :** With the expansion in Hospital Services, more and more Equipments and newer technology related tools have been installed. Accordingly, the electrical load requirement increased tremendously. It therefore become necessary to undertake major revamping/ upgradation of the entire electrical system in the MSB block of the hospital. Accordingly, the whole thing was systematically planned and successfully implemented. Total power load of the Hospital was augmented from 500KVA to 800 KVA to meet our power requirement. Consequently the old panel board had to be replaced by a new panel board. The Hospital has installed a 1600A new

AMF panels in the Multispeciality Block for uninterrupted power supply and smooth functioning of all the gadgets and departments. In addition, the entire wiring of the MSB block was revamped and currently we have completed floor wise electrical wiring and load distribution, which will control the power distribution load in every floor of the hospital. Floor wise Aluminium armoured cabling work has been done in all the floors of the hospital.

Moreover, the hospital has also installed two new synchronized diesel generator (DG) sets of 400 KVA each of Kirloskar make having total capacity of 800 KVA. The revamping of electrical system will provide uninterrupted power supply to the Hospital.

We appreciate all the members of the Infrastructure Development Committee and our electrical team for completion of this humongous task with minimum disturbances caused to the operation of the hospital or discomfort to our patients.

- iv. **Room Renovation** : A total of 24 nos of rooms were renovated under room renovation project in 2nd and 3rd floors of the MSB block. In the next phase we will take up renovation of rooms of MCB Block.
 - v. **Renovation of Nursing Stations** : It is now decided to renovate the nursing stations in order to make available all possible facilities there and for a better look and feel of the patient care area. Renovation work of the 3rd floor nursing station is in progress, and once completed will further improve nursing services to the patients.
 - vi. **Upgradation of HDU** : Revamping of the HDU was a long felt need of the hospital. We are upgrading our HDU and creating two isolation beds with negative pressure and HEPA filter .This will ensure that patients with contagious diseases are well taken care of and they do not pose any risk to other patients or the treating staff.
 - vii. **DIABETES CENTRE OF EXCELLENCE** : Considering the rise in diabetes cases particularly in our peripheral area it was decided to establish a Diabetes Centre of Excellence. An area of 3200 Sq Ft is marked in the second floor for this centre. The total cost is estimated at 1.70 Crs involving cost of equipments and the civil infra structure cost. Sun Pharma has agreed to finance the cost of equipments approx. Rs.60 Lakhs. We have approached other donors for the remaining amount. In the meantime, we have been able to develop a database of 22,807 diabetic patients who have availed services in our hospital so far. Other details like trained man power requirement both medical and paramedical staff are being worked out. Once functional, it is expected that it will serve good number of patients in the catchment area.
8. **Academic and Research Wing-Training and CME** : Training and Education are an integral part for growth and development of a hospital. Our hospital is taking up a number of programmes in this direction as mentioned below:

- i. **NBE Course:** Marwari Hospitals has been approved by the National Board of Examinations in Medical Sciences (NBMES) to start 2 post MBBS courses namely Family Medicine and Obstetrics and Gynaecology. All the allotted seats, i.e 2 seats in Obstetrics and Gynaecology and 4 seats in Family Medicine have been filled up for the academic session 2022-23 by candidates selected from an All India Entrance Examination from all over the country. This year, all the 6 seats for the academic session 2023-24 have also been filled up.
- ii. **Paramedical Courses:** Marwari Hospital has been approved by Srimanta Sankaradeva University of Health Sciences, Guwahati (SSUHS) for conducting diploma courses in the following disciplines with 15 seats in each discipline:
 - a) Medical Laboratory Technology
 - b) Medical Radiographic Technology
 - c) Physicians Assistant
 - d) ICU Technology
 - e) OT Technology
 - f) Emergency and First Aid Technology.

We have already initiated the process for enrolment of students in these courses for the academic session of 2023-24. The process of admission will commence once the results of the common entrance test to be conducted by Srimanta Sankaradeva University of Health Sciences on 20th August are available. This will not only help us in overcoming shortage of manpower in our Hospital but will create job opportunities for the students after they complete the course.

- iii. **GDA Course under NSDC :** To impart professional training, our hospital liaises with AHPI (Association of Healthcare Providers India) and NSDC (National Skill Development Council) on a regular basis. The existing manpower of the hospital shall undergo training in various modules developed by the NSDC and the AHPI. This General Duty Assistant (GDA) training will help our employees to enhance their skills on patient handling, communication, behaviour and other clinical aspects.

In the last year, we had successfully carried out Covid warrior crash course with support of NSDC where 30 participants were benefitted.

- iv. **Diabetes Course :** Marwari Hospitals has been successfully running an Advanced Certificate Course in Diabetes, duly accredited by the Research Society for Study of Diabetes in India (RSSDI) and affiliated to the Jaipur National University, Jaipur. We have been successfully running this program since the last 8 years.

- v. **Nursing College :** Setting up a Nursing College is an ambitious project of our hospital. However, availability of suitable land was a big constraint. Shree Gauhati Gaushala Trust has very graciously consented to lease out 10 bighas of land for construction of our Nursing College at their Maligaon premises. This land would allow us to build the academic blocks, nursing hostels, faculty and staff quarters, etc within one premise itself. The DPR has been already prepared for the Nursing College and after receiving possession of the land, necessary work will commence. Shree Gauhati Gaushala Trust has also agreed to provide land for setting up a free OPD on the lines of Fancy Bazar OPD in the densely populated Maligaon area.

9. **Ethics Committee:**

An Ethics Committee is a committee comprising of medical, scientific, non-medical and non scientific members, whose responsibility is to ensure the protection of the rights, safety and well-being of human subjects involved in a clinical trial and it shall be responsible for reviewing and approving the protocol, the suitability of the investigators, facilities, methods and adequacy of information to be used for obtaining and documenting informed consent of the study subjects and adequacy of confidentiality safeguards.

ECRC-HEC (Ethics Committee Research Cell-Hospital Ethics Committee) of Marwari Hospitals is registered with DGCI. Our certificate is renewed till 28th November 2024. The HEC and Clinical Research Unit is also NABH accredited and it happens to be the first Ethics Committee to receive such recognition in North East India.

Till now the Ethics Committee has received more than 50 Clinical trials in different specialities including Academic Trials. It is a matter of great delight that our Ethics committee licence is used by two different hospitals of the city to run their DNB program.

10. **Human Resource Department:**

- i. Human Resources Management plays a very vital role in the health care workplace to ensure optimum delivery of services and providing the best patient care. In any health care facility, the Human Resource department is responsible for an assortment of functions that fulfils the wants of both the employers and the employees. The hospital management has been following the guidance of hospital's Vision, Mission and Core Values to bring professionalism in the work culture in the organization. The organisation believes in proper accountability, and transparency. We believe that hard working and high performing employees should be suitably rewarded and to motivate the deserving employees in the right direction, KRA (Key Result Areas) process is practised in our hospital since 2017. Every year, there is an annual performance evaluation in which the performances of employees is evaluated and weak spots are identified for further training and upskilling. Star performers are rewarded with added responsibilities, promotion and financial increments.

Revised VDA applicable w.e.f. 01-06-2022 as per Govt.'s Notification has been implemented having an yearly financial impact of approx. Rs.9.50 lakhs.

- ii. **DYNAMIC PLACEMENT OF STAFF/MULTI TASKING:** We are trying to adopt a culture of dynamic placement and multi tasking of employees in the organisation. With adoption of this policy, the skills of the staff are being upgraded and enhanced. This will allow them wider avenues of work thereby enhancing their value. At the same time, this helps us in rationalising work personnel and also overcome sudden resignations of staff from critical areas. Nurses, ward boys, ward girls, technicians are attending training sessions and becoming ready to multi task. Whenever in any unit/floor/area, occupancy is less or more, then staff from elsewhere are rotated there to streamline patient care delivery mechanism.
- iii. **Joining of Nursing Superintendent :** Ms. Jubida Rynjah has joined our hospital as Nursing Superintendent on June 5, 2023. With her vast experience and professional knowledge, the management is hopeful that she will guide the nursing staff in delivering quality nursing care to the patients.
- iv. **DEVELOPING A FRIENDLY WORKING ENVIRONMENT :** It is our continuous endeavour to develop a friendly environment for all our employees/doctors. For this purpose,
 - a) We have started a daily morning meeting w.e.f.1.12.2022 which is attended by various departmental heads, the Director Medical Services, Hospital Superintendent and Nursing Superintendent. The main objective of the morning meetings are to solve the daily functional and operational issues quickly by taking quick decisions and these meetings have proved to be very effective.
 - b) Meetings with medical professionals are held from time to time by the Clinical and Diagnostic Committee in order to take inputs from them and addressing their difficulties, if any.
 - c) Meetings are held with various staff members, executive staff, departmental heads, etc to take stock of the situation and apprise them of the various policies and programs of the hospital.
 - d) **One to One meeting with the Consultants/Doctors of MSB and MCB** were held by the President and General Secretary .In these meetings, suggestions were taken from them, their performance was reviewed and it was impressed upon them to embrace the digitalisation process and the policies of the organisation in true spirit. There was a general feeling that the working environment of the hospital has improved tremendously and there was a sense of healthy camaraderie prevailing.
 - e) In an effort to further empower our employees, it was decided to impart basic life saving skills to all employees in a phased manner. We have started training our employees in CPR. We have engaged experts from outside and in house Consultants. So far, 2 sessions conducted by external trainers from IIEMS, Kerala and 43 nos of sessions were conducted by inhouse trainers and the training has been imparted to a total of 533 employees.

v. **Employee's Welfare activities:**

Marwari Hospitals' employees are full of enthusiasm and zeal. Every festival and event is celebrated with full vigour. These are some of the festivals/events that we celebrated during the period:

SL. NO.	EVENT	DATE OF CELEBRATION
1	Independence Day	15/08/2022
2	International Nutritional Week	01/09/2022 to 07/09/2022
3	Housekeeping Week	26/09/2022 to 01/10/2022
4	Rangoli making competition	22/10/2022
5	Pre Christmas celebration	17/12/2022
6	Annual Sports	21/12/2022 to 23/12/2022
7	Pre Bhogali Bihu	13/01/2023
8	Republic Day	26/01/2023
9	Pre Rongali Bihu	11/04/2023
10	International Nurses Day	12/05/2023
11	International Yoga Day	21/06/2023

11. Quality Assurance:

Marwari Hospitals is always trying to maintain the highest level of quality in relation to patient care over the years along with patient safety. In this regard, the hospital has got pre entry level NABH accreditation and our laboratory is an NABL accredited laboratory. As we are continuously working to improve our quality standards, we are preparing for full fledged NABH accreditation. Professional consultancy firm Integra Venture has been appointed as our consultant for this purpose.

12. Digitalization :

Information Technology (IT) has become an integral component of our day to day life. We at Marwari Hospitals also strive towards total digitalisation of all the hospital services through software. The entire process is going on under the Chairmanship of Dr. J. P. Sarma, Director Medical Services. The main purpose of digitalization is to streamline all the activities of our organization in order to minimize human error and duplicity of work. This will enable for better and more accurate record keeping and faster service delivery including patient care and to the process of patient discharge faster and convenient.

Convincing the users to change from traditional writing of prescriptions to generating e-prescriptions was no mean task .It was a very well planned and coordinated team effort of the entire Hospital that today more than 90% of OPD prescriptions are generated through the computer and it captures all details like clinical history, examination findings, medicines, investigations, etc for future reference and records. Every OPD chamber is provided with computers and printers to generate e-prescriptions. Two Tabs are provided to floor in-charges to make the patient registration process faster. Similarly, all nursing stations are also provided with Computers for on time delivery of patient care. In the time to come, more and more nursing functions will be digitalised and this will help us reduce errors of medication, errors of billing and also ease the discharge process. It will allow us to keep a track on every activity and will help us in improving the services.

Bar Coding system has been introduced in the pharmacy to improve the medicine delivery process and to capture all details like manufacturer, batch nos, expiry date, etc easily and help track the movement of medicines.

We are working towards complete electronic medical record (EMR) keeping system for all in-patient activities.

One of the advantages of digitalisation is that it will help us in creating data base for various types of patients. For example, by using our system, we have been able to create a database of 22807 diabetic patients for use of our Diabetes Centre. Similar database will be created for other categories of patients.

This is a very ambitious project with lot of challenges, but with support of all concerned, it is moving in the right direction and we hope to forge ahead with our mission of Digitalisation in the Hospital processes in the near future.

13. Drug Formulary and SOP for purchase of Medicines in pharmacy :

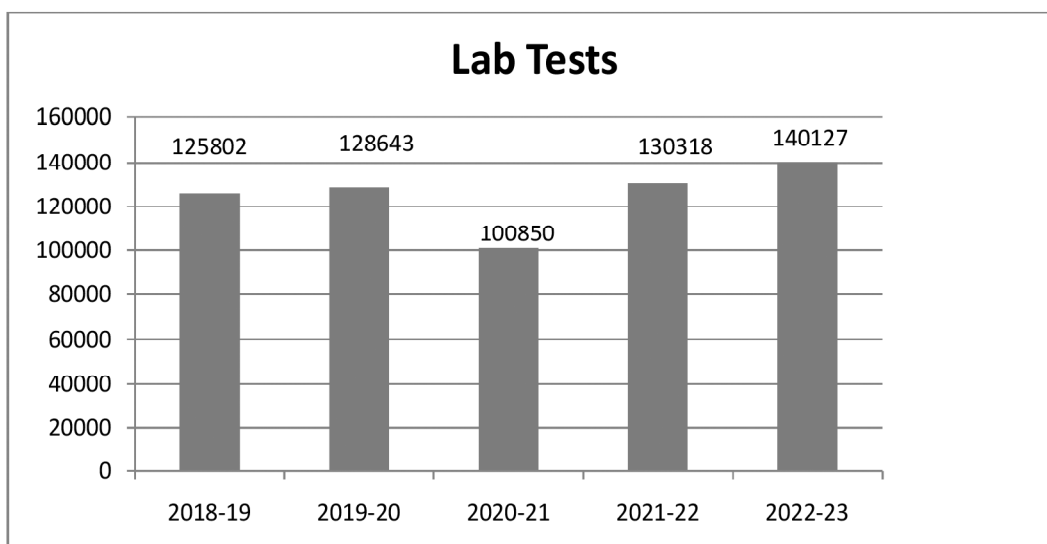

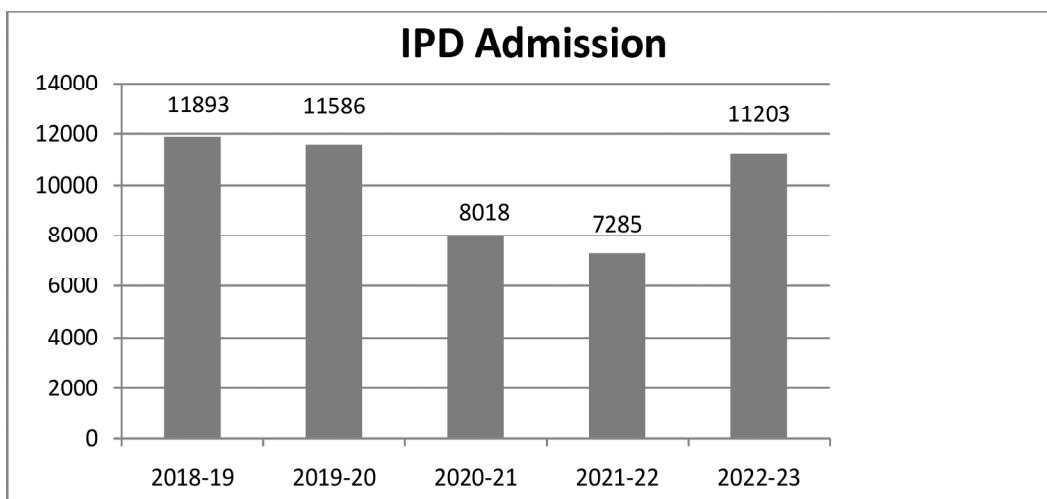

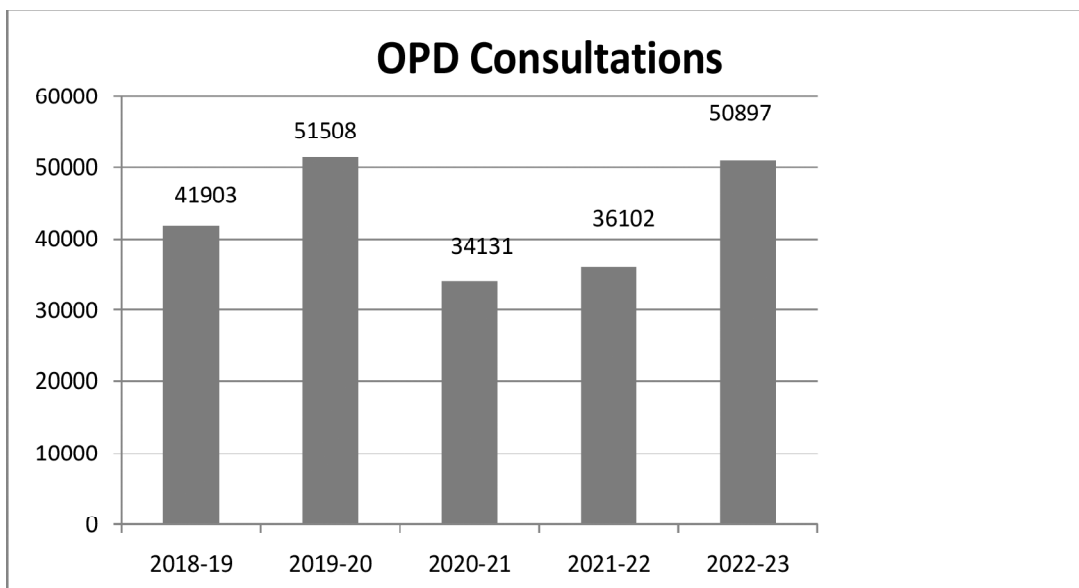

The drug formulary of the hospital has been prepared by a committee headed by the Director Medical Services, Dr. J. P. Sarma. The committee has finalised both the injectables and oral medicines that are to be used in our hospital. This has been done after discussion with the doctors. The main objective of this is to reduce the cost of the medicine without compromising the quality and also to reduce the inventory holding cost of our pharmacy. This has also helped us in negotiation of prices of medicines with the manufacturers. The implementation of drug formulary is further helping us in finalizing different hospital treatment packages, both conservative and surgical. The benefits of introduction and implementation of the Drug Formulary are already apparent. The average monthly cost of our inventory have come down from Rs 70.00 lacs to Rs 62.50 lacs (this year). In real terms this impact is much more if we take into account the increase in the cost of medicine this year.

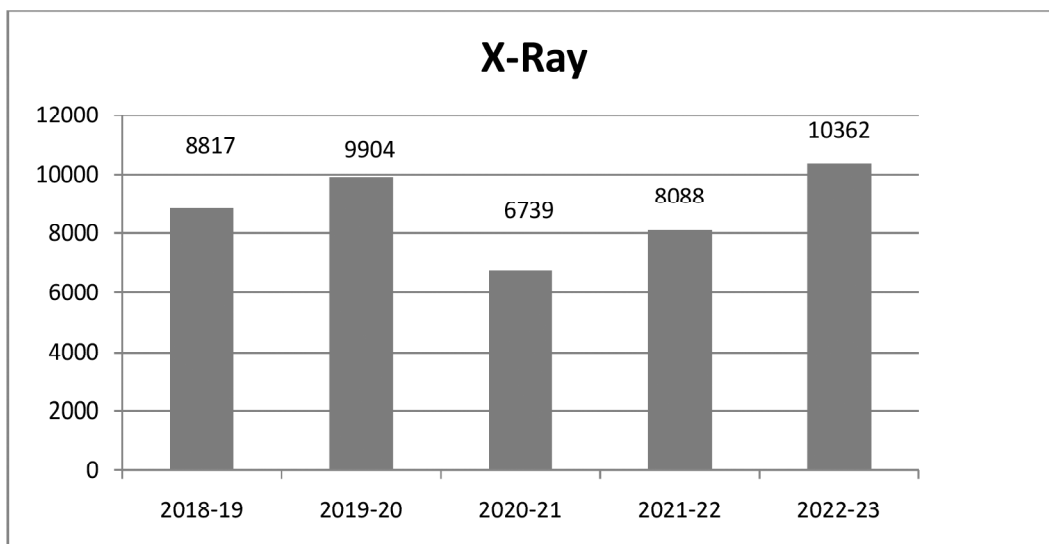

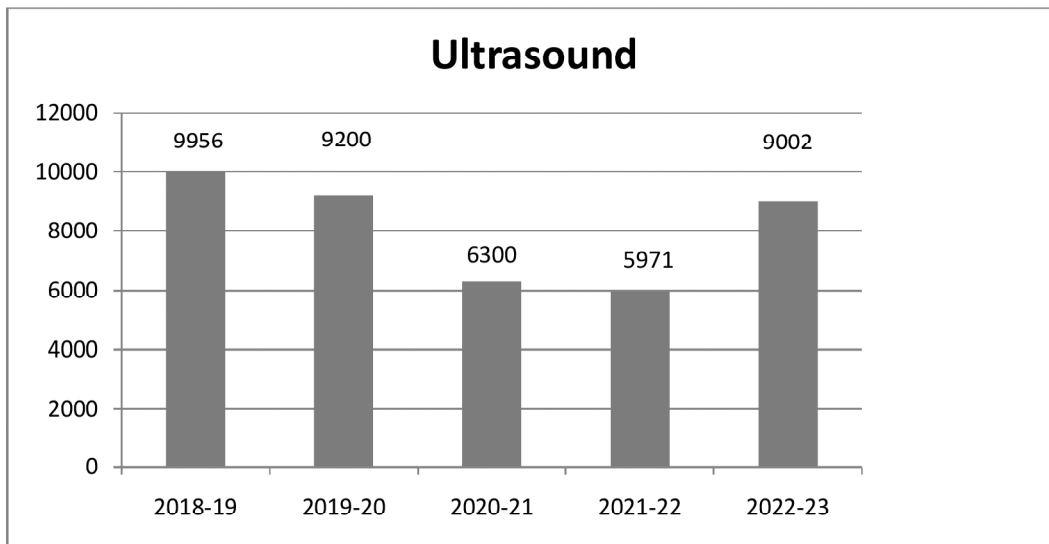

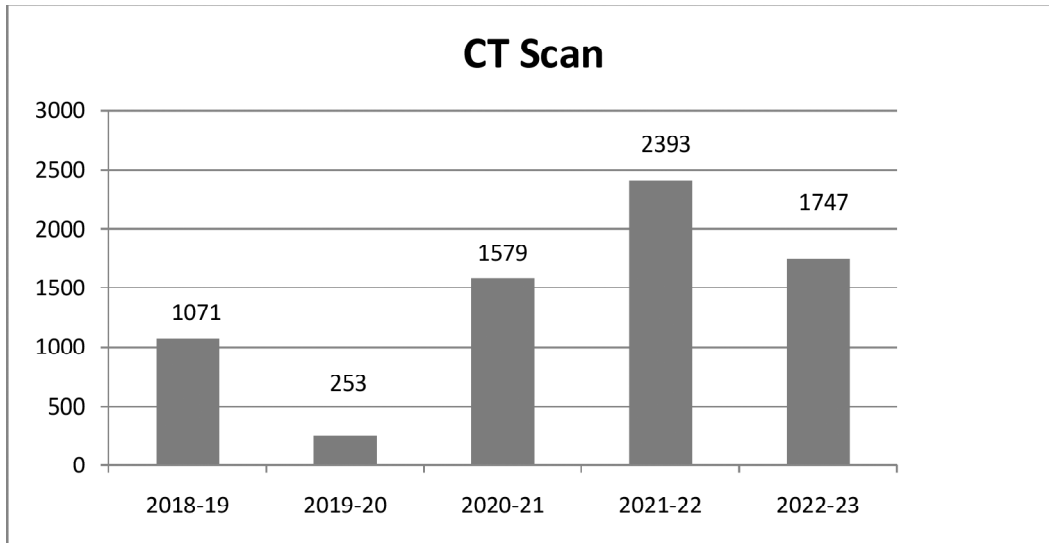

SOPs/Guidelines were developed for the smooth functioning of the pharmacy after discussion with Pharmacy Committee. It was then implemented in order to streamline various activities of the pharmacy. The broad areas it covered includes vendor negotiation, brand selection, compliances etc. A separate medicine receiving area has been ear marked in the ground floor, MSB near the Accident and Emergency Dept. in order to monitor medicine purchase mechanism and generating of GRN.

15. Marketing and promotional activities :

In keeping with our vision, it is very pertinent to have a dedicated and focussed marketing team to spread the message about our different health care services amongst the general population. Our vision is to relentlessly dedicate ourselves in bringing excellence in healthcare within the reach of all.

The marketing department engages in conducting various medical and health check up camps, organizing CME's and also meeting different stakeholders including doctors to make people aware of our different facilities and schemes. This is an ongoing process and needs to continue with greater vigour. We have recently re-vamped the working of our marketing team to make it more effective. The Hospital has recently prepared a promotional video of different facilities and services of our hospital. The same is being played in the Hospital TV network and also in our social media account. In addition, bi-monthly, the hospital shares a bulletin "SPANDAN" wherein a comprehensive report of activities and significant achievements are shared with the readers. We released 6 nos of issues of Spandan in the last Financial Year. It has garnered considerable attention and serves as a platform of highlighting the hospital and significant hospital milestones. Following are the details of various promotional activities undertaken during this period:

16. Health Camps :

We are working towards preventive health care by creating awareness about different diseases and enabling early diagnosis by organizing free health camps in different locations of the city and its peripheries across the state. Several NGOs and Organisations are associated with us and extend their help and support in organizing such camps. Health camps always spread a positive impact in the society regarding their general health condition and hygiene. The hospital's small effort to reach out to the society may help the public to become more conscious and aware of the diseases and take adequate precaution of their health and promote healthy living. Our hospital is also organizing health camps in various corporate houses, factories and industries. The details of health camps organized during FY 2022-23 are given below:

19. **Home Care Services :** People are taking advantage of Home Care Services launched on 1st June, 2022 by the hospital. Patients requiring doctor and nursing services at home can avail it by making just a phone call. Nursing services for procedures like injection, Ryles' tube insertion, catheterization, BP checking etc. and 24 x 7 nursing care at home is also available under it. Similarly, Doctor's service is available at night from 9:00 PM to 8:00 AM under this scheme.
20. **Home Sample Collection :** With the objective of improving healthcare delivery and bringing services closure to the users, Marwari Hospitals provides the service like Laboratory Sample Collection from the comfort of one's home. Marwari Hospitals has opted for it with the help of its qualified laboratory staff and technicians. One can contact the following numbers for availing these services: 73990-99997, 73990-99998.
21. **Evening OPD :** It has been observed that many a times, people find it difficult to visit the doctors for their health related issues because of OPD's timing which is normally fixed in the morning /day time hours. The office going people are not able to schedule their timings to visit the doctor particularly during morning hours without affecting their work/office. Keeping this in mind, we decided to start evening OPD. The evening OPD services were launched on May 10, 2023. In the evening OPD, senior doctors from most of the specialities like General Medicine, General Surgery, Paediatrics, Orthopaedics, Gynaecology, ENT, Dental, Psychiatry, Dermatology, Plastic Surgery etc are available for consultation from 5:00 pm to 8:00 pm. This facility is being offered at no extra cost to the patients. The initial response is found to be encouraging and we expect it to grow further in the days to come.
22. **Blood Centre :** The Blood Centre of Marwari Hospitals have been playing a pivotal role in delivering its services. It is NABH entry level accredited centre. Human blood is an essential element of human life with no substitute. Blood transfusion has been responsible for saving millions of lives each year around the world. In many major surgeries and trauma emergencies the use of whole blood is now well accepted. Marwari Hospitals has conducted many blood donation camps over the past many years. Hospital arranges both in-house as well as outside camps with the help of other organisations. During the year 2022-2023, a total number of 75nos. of blood donation camps were organized by various social organizations .Of this, 41 nos. were in-house camps in the hospital premises and 34 nos. were outdoor camps. Total collection of blood from these camps were 1645 nos. of units. Apart from camps, people also donate blood voluntarily on different occasions or as replacement for blood collected from our centre. In total, the Blood Centre has received 1815 units through voluntary donation and 2539 nos. of units as replacement donation, there by leading to total collection of 4354 units of blood during the year. The total blood issued from blood bank is 5056 unit. Moreover, total 575 units of FFP was issued to Intas Pharmaceuticals Limited during 2022-2023. It is noteworthy to mention that Blood Bank Committee is working exceedingly well. We appreciate the generosity of all Blood donors and patrons for their unequivocal support to our centre at all times.

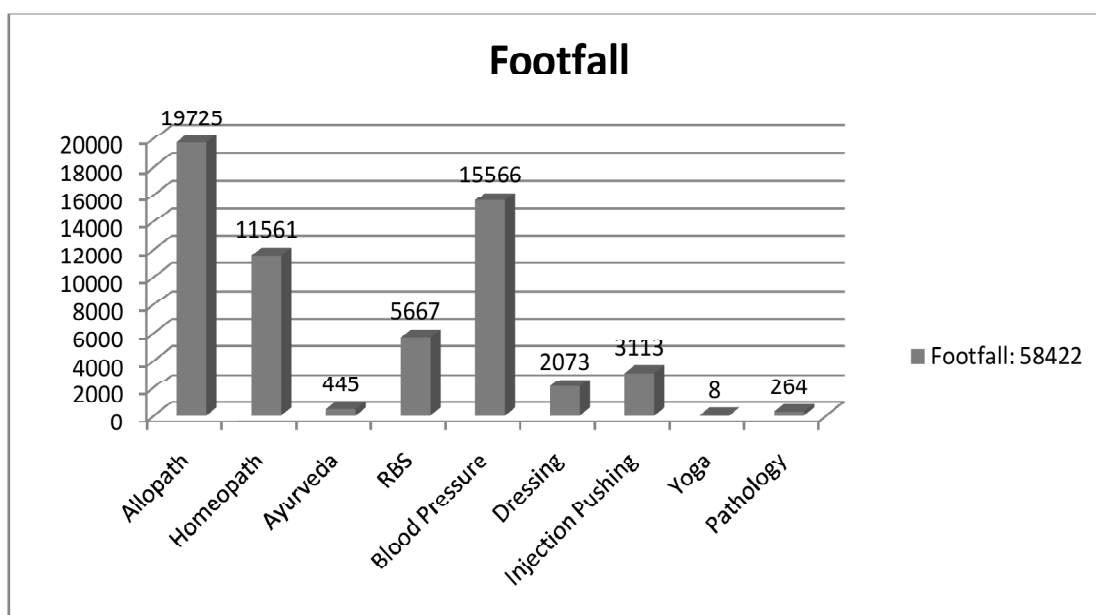

Our Hospital has special provision for Thalassamia patients. Blood is issued to them without any replacement, and by charging only 50% of the normal processing charges. However, 100% waiver of blood processing charges is also given to the Poorest of Poor Thalassamia patients. Moreover, accommodation, doctor's

consultation are free to all Thalassamia patients (upto 10 hours). During FY 2022-23, 175 Thalassamia patients were treated by our hospital.

23. **Fancy Bazar Outdoor Dispensary (FBOD)** : Fancy Bazar Outdoor Dispensary (FBOD) is a flagship unit of Shree Marwari Databya Aushadhalaya and has been providing exemplary free services to the needy patients since the time of its inception in the year 1916. Consultants of the Allopathy, Homeopathy and Ayurvedic streams provide free consultation to the patients. Approved medicines of all streams are also provided free of cost to the patients. During 2022-23, a total 58,422 persons have availed the services at the FBOD under different sections. During this period, 56 free diabetes screening camps were conducted every week in FBOD in association with Lions Club of Guwahati Capital Assam, where 3188 nos of patients were screened.

FBOD OPD Footfall Summary (April'22-March'23):

24. **Call Monitoring System** In order to improve our quality of service, we have started a system of recording calls received on our land lines. These recordings are heard by a Senior Executive and remedial actions are taken if calls are not properly attended and/or responded by our staff.
25. **Internal Audit** : With the expansion of our activities, it has become imperative that we have strict internal control procedures. Though we have developed our own systems and Standard Operating Procedures and there are various committees to oversee these systems and procedures, yet a strong need was felt to appoint a full time Internal Auditor in view of the fact that ours was a highly regulated institution. Therefore, we appointed M/s P.Gaggar & Associates, Chartered Accountants as our Internal Auditors w.e.f. 01.08.2022.

Our internal Auditors have been submitting their monthly reports to us which have been found to be very useful. These cover almost all the departments of the hospital. These reports are regularly discussed in our “Finance, Audit & Risk Mitigation Committee” and remedial measures are taken on the issues pointed out by our Internal Auditors.

Comprehensive TPA Audit was also undertaken. Whatever short comings were found, have been addressed and we have stepped up our efforts to realise the outstanding dues. It is also being ensured that new claims which are being filed are flawless.

26. **Challenges Ahead** : Occupancy has become a big challenge for the hospital. Like previous years, this year also the bed occupancy of the hospital has remained below the projections. Costs of every input is rising and unless the occupancy improves, financial strain shall continue. More and more health care facilities are coming up in the areas which were traditional patient base of our hospital. Basic services are now available in the peripheral areas also. This has compounded our challenges too.

The next bigger challenge is retaining competent and qualified staff. Qualified and trained manpower is the backbone of every healthcare facility. Attrition of qualified and experienced manpower is a very common and recurrent problem faced by healthcare establishments. We at Marwari hospitals are not immune to this problem and we are constantly trying to overcome these challenges by providing competitive financial compensation, a quality work life balance, regular employee engagement activities, etc, etc.

By introducing various new aspects of treatment and recruiting the Super specialists, we are trying to introduce newer services and facilities in the hospital. Hiring qualified manpower to deliver quality care to the patients is another challenge. As the healthcare industry is going through transformation very frequently with the introduction of newer ideas and technologies, it has become a huge challenge for the management to get the qualified human resource for the same because of prohibitive cost.

In the year gone by, we successfully completed the new OT complex of 5 nos state of the art Operation Theatre in the MSB block. Work is going on for renovation of the ICU and Isolation HDU. Once this work is over, the hospital is gearing to establish a Centre of Excellence in Diabetes and the same should become functional before the end of the year.

Though most have recovered from the covid pandemic, health care facilities are still fighting to come back to normal terms following the turbulent covid period. Keeping pace with latest technological developments and meeting the cost associated with it remains a very critical component.

To make our hospital a tertiary care Hospital in the true sense means introducing a full fledged department of Cardiology and Gastroenterology. We need to plan towards starting of these departments in the near future. Development is a continuous process and the management is determined to face the challenges and to overcome it for the continuous growth, development and betterment of the society. We seek support from one and all to meet the challenges and help us to serve the society in a more effective way keeping in mind our vision to bring excellence in healthcare within the reach of all.

27. **Danveer members** : During this period, four new members were added in this category.
