ANNUAL WORKING COMMITTEE REPORT 2023-24

“RICH LEGACY OF 108 YEARS”

A Request

All care has been taken to avoid any mistake in the information contained in this Annual Report. Still the possibility of inadvertent errors cannot be ruled out. The readers are requested to point out such mistakes so that they may not be repeated in future.

- R.S. Joshi, Hony. General Secretary

From the desk of President

Shree Marwari Databya Aushadhalaya

It has been indeed a privilege for me to be the President of this august institution for the term 2021-24. Earlier, I had the opportunity to serve this institution as its President during 2009-2012 and 2012-2015. All my terms have been quite eventful. The work of re-vamping and development which started in my first term of 2009-2012 still continues. During the terms 2015-2018 and 2018-2021, under the presidentship of Shri Sarat Kumar Jain a number of new initiatives were taken. Under his presidentship, a lot of infrastructure development work had taken place and a number of new medical facilities were added.

In all these years, it has been our endeavour to build a team of hospital officials and doctors who can run and manage day to day operations of the hospital smoothly and efficiently. During last two years, we have been working on total digitalization of our operations and we have been successful in this mission to a great extent. Still some more work needs to be done in this area. All our efforts have been to make our hospital a system driven hospital in order to increase our efficiency and to reduce the chances of errors as well as patient complaints.

To streamline the working of the hospital, we have created 3 verticals :

- i) Clinical Management, headed by Director, Medical Services
- ii) Administration, headed by Hospital Superintendent ; and
- iii) Nursing Services, headed by Nursing Superintendent.

This has resulted in smooth discharge of services in the hospital.

One of our landmark achievements this year has been that our hospital has been granted full accreditation by National Accreditation Board for Hospitals & Healthcare Providers (NABH) , a constituent Board of Quality Council of India (QCI) on 8th of February, 2024 which is valid up to 7th of February, 2028. This recognition of Quality control of our health care services by the NABH has put a greater responsibility on us to continuously maintain quality of our services which are regularly monitored by the NABH. This process began in the year 2019.

From the desk of General Secretary

Dear Members & Well-wishers of the Marwari Hospitals Family,
Greetings & Namaskar !

I am delighted to extend my heartfelt congratulations to each of you for your unwavering support over the past 6-7 years in my role as General Secretary of the SMDA. Together, we have navigated numerous challenges and thanks to the collective efforts of the leadership and our Esteemed Committee members, doctors, nurses, technicians, paramedics, and support staff that we have been able to bring smiles to the faces of our patients and their families. I am thrilled to share that the journey I had embarked on with Marwari Hospitals has been nothing short of an extraordinary one beginning with a mission which I could nurture all these years with the approachable demeanour and insightful guidance of Shri Ramesh Goenka, President, Shri

Sarat Jain, IPP and the unflinching support of my colleagues.

Though budgeting, monitoring and working capital management by us have yielded rich dividends, we are facing significant financial strain due to a substantial amount owed to us by the Government for services rendered under various government schemes. This issue has been exacerbated by the recent notification that, effective August 1, 2024, many procedures will no longer be available in private healthcare facilities under the Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB PM-JAY) and Ayushman Asom Mukhya Mantri Jan Arogya Yojana (AA MM-JAY). This could seriously hinder our mission to serve those in need and may adversely impact our revenue. Occupancy of hospital beds at optimum level has also been a matter of concern.

Despite these challenges, I am proud to share that we have completed several developmental projects during this time. These include the renovation and installation of air conditioning in the first-floor OPD area, updates to our ICU and HDU, the establishment of an Isolation ICU, the refurbishment of patient cabins and wards, the creation of a Diabetes Centre, and the installation of a new lift at MCB. While Radiology and dialysis verticals which were commissioned earlier are doing well, new modular OT's too are seamlessly performing instilling new confidence. I sincerely thank our esteemed society members who stepped forward to provide financial support, enabling us to successfully execute these projects.

In addition to infrastructural improvements, we have placed a strong emphasis on enhancing our hospital's systems and processes, quality, safety, and human resources. In addition to achieving NABL accreditation, our hospital is now fully NABH accredited, meeting the high standards set by the NABH Board. This accomplishment allows us to confidently assert that our operations have become more streamlined and transparent, with staff being held accountable and quality remaining our top priority.

Training and development are integral to our organization. We conduct numerous in-house training sessions and also send our staff for external training opportunities. Over the past couple of years, we have run a Diabetes Diploma course that has successfully graduated six batches of practitioners.

In 2022, Marwari Hospitals launched diploma programs for post-MBBS students in Family Medicine and Obstetrics & Gynaecology, with students selected by the National Board for Examination (NBE) through an All India Merit Test. Starting in 2023, we have also introduced paramedical courses in six disciplines, which have been duly recognized by Srimanta Sankardeva University of Health Sciences in Guwahati.

Continuous quality improvement is essential for success in any organization. At Marwari Hospitals, supported by like-minded individuals and corporations, we have taken numerous steps to enhance the quality of our services.

The journey that began 108 years ago will continue as we strive to achieve our objectives and establish Marwari Hospitals as the preferred medical destination for an increasing number of people, all while promoting greater awareness of disease prevention.

A special mention about the TEAM MH who delivered their best. The unforgettable memories and positive dynamic culture at MH have set a high bar for what promises to be an incredible journey ahead

Thank you all for your dedication and commitment.

With warm regards
R S Joshi
Hony. General Secretary

Budgeting Exercise :

In one of the good practices, budget exercise is undertaken to plan and monitor the revenue and expenses of the hospital. Budget plan is reviewed periodically so that corrective and preventive actions can be taken without any delay. Budgeting is done for department wise revenues, expenses etc well in advance keeping in view prevailing situation of the organization.

i) **GRANTING OF FULL ACCREDITATION BY NABH :** We are pleased to inform you that one of our landmark achievement this year has been that our hospital has been granted full accreditation by NABH (National Accreditation Board for Hospitals & Healthcare Providers). Our Hospital has always strived to maintain the highest level of quality in relation to patient care and patient safety. In India, NABH is accredited by International Society of Quality in Healthcare (ISQUA), which is the highest body overseeing patient safety and quality all over the world, to oversee Quality and patient safety. Accreditation with NABH means the institution follows all established protocol for patient safety and quality of care.

Now, we shall have to strive harder towards continuing to maintaining high standards of our healthcare services and improve upon them. Every member of the organization played their role effectively which allowed us to obtain the accreditation, and they are all worthy of our full appreciation and encouragement. It was a momentous occasion for the hospital and on 9th May, 2024 a celebratory meeting of all staff members and doctors was organized. The contributors and the core committee members of NABH implementation committee were appreciated with a certificate and token reward.

- Time for initial assessment of indoor patients by a doctor. Our benchmark is 30 minutes
- Number of reporting errors in Laboratory and Radiology per 1000 investigations.
- % of unplanned return to OT. Our benchmark is 0.
- % of inpatients developing Adverse Drug Reaction.
- % of Transfusion Reactions.

- Return to ICU within 48 hours.
- Patient handover for both Doctors and nurses every shift
- Return to Emergency within 72 hours with similar presenting problems.
- Nurse : patient ratio in ICU/Wards
- Turn Around Time (TAT) for discharge of patients. Our benchmark is 2-3 hrs for cash paying patients and 4-6 hrs for Cashless patients at present.
- ii. **NABL:** Our laboratory is already NABL accredited and from time to time, we have periodic inspection for re-accreditation. The re-accreditation inspection was carried out on 06th & 07th of January 2024. We have received the approval and continuation of the NABL accreditation till 30th March 2026.

4. Infrastructure Development:

- i. **Up gradation of ICU & HDU** - Work on renovation and upgradation of the ICU is completed. Work on the isolation HDU is also completed with the unique facility of having both Positive and Negative Pressure which will enable us to treat different disease conditions. This will ensure that patients with contagious diseases are well taken care of and they do not pose any risk to other patients or the treating staff and at the same time, immune compromised patients also can be safely treated. Marwari Hospitals is perhaps amongst the few hospitals in the city to have this facility.
- ii. **Revamping of Dental Unit** : Renovation, expansion and upgradation of Dental Unit has been completed and it started functioning from 1st of January, 2024. Our Dental unit has 2 state of the art Dental Chairs and integrated support systems with sealed dental usage instruments. The response to these additions has been good which has encouraged us to launch a Free Dental Consultation for all pregnant ladies and Senior Citizens. Since the renovation, we have seen an increase in number of patients taking dental consultation/treatment. The six month period from July 2023-December 2023 show that 1404 nos of patients availed dental services. The 6 month period from January 2024-June 2024 (post the renovation) reveals there has been an increase to 1557 patients which means an increase of 10%.
- iii. **General Ward** : Room no.206, in MCB block was fully renovated including fixtures and fittings. The electrical and Fire safety lines have also been newly drawn. Now it is operational as a 6 bedded General Ward.
- iv. **Creation of new ward, 2nd Floor MSB opposite to Diabetes Centre of Excellence** : It was decided to make the space in front of the Diabetes Centre of Excellence available for patient service. Accordingly, 5 nos of private cabins and 9 nos of Special General ward beds have been created. Architectural drawings have been prepared by Sri S.K Banka, a renowned architect. Thus, the total nos of beds in our hospital has increased to 150.

- v. **Renovation of MSB 2nd Floor Nursing Stations :** Renovation work of the 2nd floor nursing stations both on A side and also B side have been completed. The Nursing stations now look modern and are well equipped . It is providing a better work experience and feeling to our employees. With completion of renovation of the Nursing station of 2nd Floor, MSB, all the nursing stations in the MSB block have been renovated.
- vi. **Granite fitting on face of lift doors :** The area near the lift doors were not looking very aesthetic. In order to give a clean look and make it easier to clean the area, it was decided to fix granites on the face of the lift doors area. Accordingly, all the ten doors of lift no.1 & 2 from 1st floor to 5th floor have now been fitted with Granite slabs. The same work has also been completed from the 1st Floor to the 6th Floor in case of Lift No.3 (Parking area lift).The granite fitting work has also been done in the MCB block lifts,
- vii. **Revamping of 4th Floor Chambers :** The chambers used by the DMS and by the NAT LAB at MSB, 4th Floor have also been revamped and renovated. The old chamber used by the DMS is now converted into a Doctors lounge for use of our Doctors. The previous area used by the NAT lab has been segregated and currently, it houses the chambers of our Marketing Officers and Audit team. The office of DMS is now housed in President's old chamber.
- viii. **Revamping of 1st Floor patients' area :** This was a long standing requirement and involved massive work. Weather temperatures are rising regularly and number of patients attending our OPD is also increasing. We ,therefore, felt that they needed a comfortable environment to be seated to complete the purpose of their coming to the hospital. Revamping the entire area was done in a record time.The new air conditioned OPD area wears an entirely new look.
- ix. **Setting up of Diabetic Centre of Excellence 2nd Floor, MSB :** The work on the diabetes Centre of Excellence is completed. It is located in the old OT complex of the 2nd Floor of the MSB block. The work was executed on a turn key basis by M/s Banka & Associates, a renowned architect firm. The pharmaceutical company, M/s Sun Pharmaceutical Industries Ltd has graciously provided us the cost of the equipments amounting to about Rs 24 lacs. We expect contributions from other pious donors also towards infrastructure cost of this centre.
- In the meantime, detailed SOP is being prepared and the process of training manpower- both medical and non medical is on. Once functional, it is expected that it will serve good number of patients in the catchment area. Our data base show that the number of diabetic patients is increasing rapidly in this area.
- x. **Installation of new KONE Elevator :** The old lift in the MCB block was giving frequent problems. So, it was decided to replace the old elevator with a new one. The old lift has now been replaced by a new KONE lift. The installation work of the new lift is complete. With the commissioning of the new lift, it is expected that patient transport and discharge will be much faster and smoother.

We are happy to share with you that our Director of Medical Services, Dr. Jayanta Prasad Sarma was invited to deliver a talk on “Digitalisation in Healthcare” at the recently concluded Healthcare conclave organised by Indian Chamber of Commerce (ICC) and held at NEDFI house on 23rd June, 2024 where delegates from all over the North East and other parts of the country participated.

6. Operations:

- i) **Housekeeping Services :** Housekeeping is an important support service in a hospital. It takes care of cleanliness, maintenance & aesthetic upkeep of the hospital. Our Housekeeping Committee is

very active and regularly monitors the overall cleanliness of the hospital. The members of the committee carry out hospital rounds fortnightly. Cleanliness of the hospital is paramount and the team is doing a wonderful job in achieving a high level of cleanliness in our hospital. Housekeeping Week and House Keeping Months are organised to motivate and appreciate their services. Star performers are recognised and rewarded. The unwavering commitment of our house keeping staff in maintaining a clean, safe, and hygienic environment is crucial to our patients' well-being and the smooth operations of our healthcare facility.

ii) **Ambulance services and Mobile Blood Donation Van :**

- vi. **Home Care Services :** Home Care Services was launched on 1st June, 2022 . Patients requiring doctor and nursing services at home can avail it by making just a phone call. Basic nursing services like injection, Ryles’ tube insertion, catheterization, BP checking etc. is available. Similarly, Doctor’s service is available at night from 9:00 PM to 8:00 AM.. However, we need to create more awareness about this service.
 - vii. **Home Sample Collection :** With the objective of bringing services closure to the users, Marwari Hospitals provides the service like Laboratory Sample Collection from the comfort of one’s home. Well trained technicians go and collect various pathological samples from the patient’s homes. One can contact the following numbers for availing these services: 73990-99997, 73990-99998.
 - viii. **Evening OPD :** People find it difficult to visit the doctors for their health related issues because of OPD’s timing which is normally fixed in the morning /day time hours. The office going people are not able to schedule their timings to visit the doctor particularly during morning hours without affecting their work/office. The evening OPD services were launched on May 10, 2023. Senior doctors from most of the specialities like General Medicine, General Surgery, Paediatrics, Orthopaedics, Gynaecology, ENT, Dental, Psychiatry, Dermatology, Plastic Surgery etc are available for consultation from 5:00 pm to 8:00 pm. This facility is being offered at no extra cost to the patients. The initial response is found to be encouraging and we expect it to grow further in the days to come. During the year 2023-24, a total of 7050 patients attended the evening OPD, out of which 910 were admitted reflecting a conversion rate of 13%.
 - ix. **Surprise Night Visits :** In an effort to ensure quality service at all times and to resolve problems, we have the system of surprise night visits in place, in addition to the Night manager on duty. Senior hospital staff visits the hospital and goes across all sections, checks and speaks with staff on duty and makes sure they are properly groomed and wearing appropriate identifications. If there is any problem anywhere, tries to resolve the same. A written report is submitted to the Director Medical Services in the morning. It is found to be an effective mechanism to ensure quality service round the clock.
7. **Blood Centre :** Our Blood Centre has been playing a pivotal role in delivering its services. Human blood has no substitute. Blood transfusion has been responsible for saving millions of lives each year in major surgeries and trauma emergencies. Marwari Hospitals conducts many blood donation camps every year. Hospital arranges both in-house as well as outside camps with the help of other organisations. During the year 2023-2024, a total number of 64 blood donation camps were organized by various social organizations. Out of this, 35 nos. were in-house camps in the hospital premises and 29 nos. were outdoor camps. The total units collected during the year was 4469 units, out of which 1612 were collected from camps and 2857 were replacement collection. The total blood issued from blood bank is 5358 units. In addition, another 3906 units of FFP was issued to Intas Pharmaceuticals Limited during 2023-2024. We appreciate the generosity of all Blood donors and patrons for their unequivocal support to our centre at all times.

Our Hospital has special provision for Thalassamia patients. Blood is issued to them without any replacement, and by charging only 50% of the normal processing charges. 100% waiver of blood processing charges is also given to the Poorest of Poor Thalassamia patients. Moreover, accommodation, doctor's consultation are free to all Thalassamia patients (upto 10 hours). During FY 2023-24, services to 199 nos of Thalassamia patients were provided by our hospital.

Graphical Representation of last 3 years performance of Blood Centre:

8. **Fancy Bazar Outdoor Dispensary (FBOD) :** Fancy Bazar Outdoor Dispensary (FBOD) is a flagship unit of Shree Marwari Databya Aushadhalaya and has been providing exemplary free services to the needy patients since the time of its inception in the year 1916. Consultants of the Allopathy, Homeopathy and Ayurveda provide free consultation to the patients. Approved medicines of all streams are also provided free of cost. During 2023-24, a total 70,538 persons have availed the services at the FBOD under different categories. During this period, free diabetes screening camps were conducted every week in FBOD in association with Bhagwani Devi Mour Charitable Trust.

Many people do not visit hospitals or seek healthcare services because of affordability issues. The rising cost of healthcare is a world wide phenomenon. The situation is very grim even in countries like the US and the European countries, where besides being expensive, there is a huge waiting list for almost all procedures. Marwari Hospitals works to provide Quality Health care services at affordable rates. We have taken various steps to make cost of treatment more affordable for the general public. Reviewing the hospital rates from time to time by the Rates Review Committee is one of them.

Some of the packages and concessional schemes are as follows:

10. Marketing and Promotional activities:

It is very pertinent to have a dedicated and focussed marketing team to spread the message about our different health care services amongst the general population. Our vision is to relentlessly dedicate ourselves in bringing excellence in healthcare within the reach of all. The marketing department engages in conducting various medical and health check up camps, organizing CME's and also meeting different stakeholders including doctors to make people aware of our different facilities and schemes. This is an ongoing process and needs to continue with greater vigour. The promotional video of different facilities and services of our hospital is played over the hospital TV network and also in our social media account. In addition, the hospital publishes a bulletin "SPANDAN", every 2 months, wherein a comprehensive report of activities and significant achievements are shared with the readers. We released six nos. of issues of Spandan in the last Financial Year. It has garnered considerable attention and serves as a platform of highlighting the hospital's activities.

Following are the details of various promotional activities undertaken during this period:

11. Human Resource Department:

Human Resources Management is responsible for an assortment of functions that fulfils the wants of both the employers and the employees. It plays a vital role in the health care workplace to ensure optimum delivery of services and providing the best working environment for employees. We are guided by the hospital's Vision, Mission and Core Values to bring professionalism in the work culture. Marwari Hospitals believes in proper accountability, and transparency. We believe that hard working and high performing employees should be suitably rewarded . Employees are evaluated on a continuous basis and annually on certain key parameters and suitable promotion/increment is done accordingly.

- i. **PERFORMANCE EVALUATION OF EXECUTIVES FOR 2023-24 :** Every year, there is an annual performance evaluation in which the performances of employees are evaluated and weak spots are identified for further training and up skilling. Star performers are rewarded with added responsibilities, promotion and financial increments. This year also performance evaluation of employees has been successfully completed.
- ii. **DYNAMIC PLACEMENT OF STAFF/MULTI TASKING :** Multi tasking is the need of the hour. Work force rationalisation without affecting the services is critical towards sustainability of an institution. We are therefore trying to adopt a culture of dynamic placement and multi tasking of employees in the organisation. With adoption of this policy, the skills of the staff are being upgraded and enhanced. This allows them wider avenues of work thereby enhancing their value. At the same

time, this helps us in rationalising work personnel and also overcome operational problems resulting from sudden resignations of staff from critical areas. Nurses, ward boys, ward girls, technicians are attending training sessions and becoming ready to multi task. Whenever in any unit/floor/area, occupancy is less or more, then staff from elsewhere are rotated there to streamline patient care delivery mechanism.

- iii. **Joining of Marketing Head :** The hospital has finally been able to have a dedicated person to spear head the marketing efforts. Mr. Sanjiv Kumar Dutta has joined our hospital as Head of Marketing on 12th October, 2023. He has a vast experience of over 24 years in the relevant field. We are hopeful that with his joining us, the marketing efforts of the hospital towards creating more awareness about the various facilities and conducting Preventive Health Camps will be further augmented and more and more people will become aware and take services of our hospital.
- iv. **Training and Development :** Marwari Hospitals believe that continuous training and development of the workforce is an essential tool for us to grow and sustain. Marwari Hospitals encourages its employees to participate in such training programs conducted outside the hospital. In addition, there is a well drawn up training calendar that helps to conduct regular training sessions while at work in the hospital itself. In the year gone by, we had numerous training sessions conducted in the hospital premises on topics ranging from BLS training, NABH Standards, House keeping and Security, Grievance handling, Nursing documentation, Needle Stick Injury, Spill Management, Bio Medical Waste management, Hand Washing, Communication Process, Emergency codes, Mock drills on Fire Fighting and Evacuation, Motivation, Yoga sessions, etc.

In addition, many employees attended programs/CME's outside the hospital to enhance their professional skills. The details of training programmes held are as follows:

In house Class room trainings	517
In house bed side trainings	172
External trainings	06
Total trainings	695
Total participants	7461

v. **Employee's Welfare activities:**

Marwari Hospitals' employees are full of enthusiasm and zeal. Every festival and event is celebrated with full vigour. These are some of the festivals/events that we celebrated during the period 2023-24.

Sl.No.	EVENT	Date of Celebration

vi) Apart from above events, the following programmes were also conducted in our hospital:

- (a) **Awareness programme on the occasion of Women's Day :** In association with Adhivakta Parishad, Assam Prant, an awareness programme on "Role of Women in Nation Building", and "Role of Law Enforcement agency in protecting women rights and how to overcome challenges and reach the goal" was organised in our hospital premises on 29th March 2024. The deliberations focussed on the challenges faced by women at the workplace and remedies thereof. The programme was graced by Prof. Vinod Bhatra, National Executive member, Akil Bhartiya, Adhivakta Parisad and also President of Adhivakta Parishad Assam Prant. The speakers were Senior. Advocate Millie Hazarika and Ms. Somalin Subhadarsini IPS, ACP of Jalukbari Division. Advocate Jayasri Baishya, secretary of the sangathan and Shri S.C.Keyal, Senior Standing Counsel of the Income Tax department also attended the meeting. More than hundred staff members participated in the programme.
- (b) **Awareness cum training by ESIC officials :** A day long Awareness cum training programme was organized on 30th, May 2024 by ESIC officials on implementation of UAN and AADHAR seeding to all staff members who are ESIC beneficiaries.

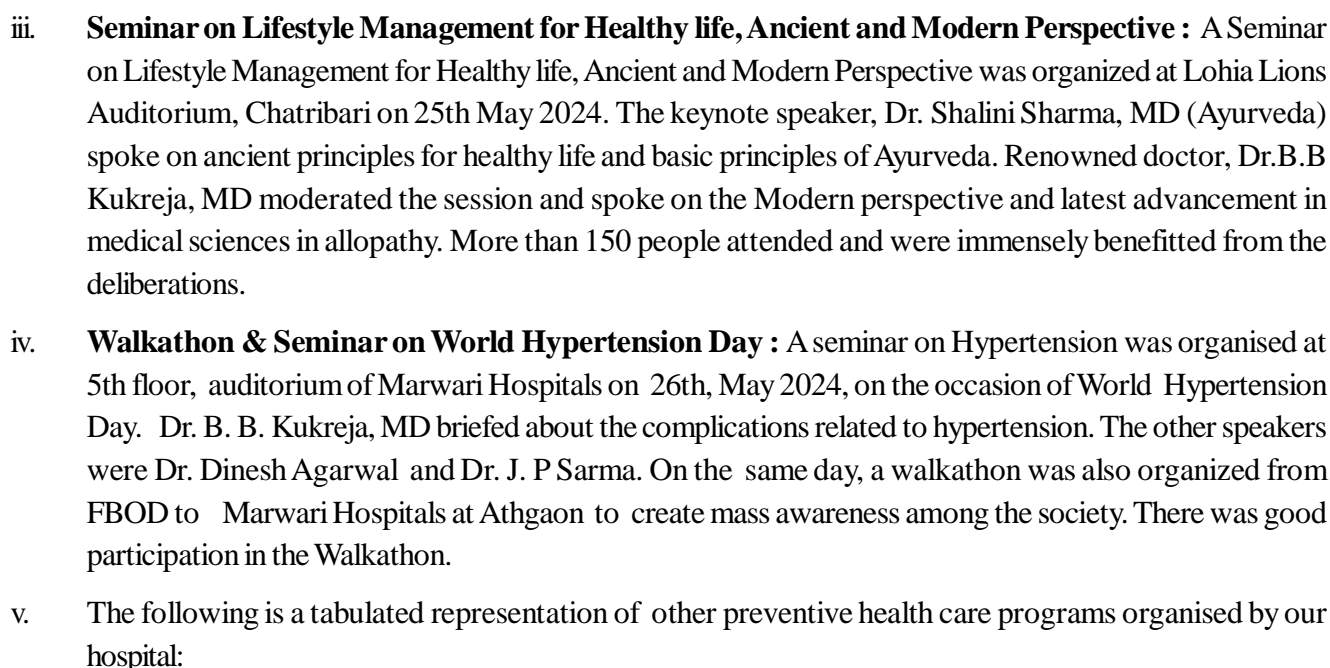

a) **Morning Meeting :** Daily morning meetings have now become a regular feature of the hospital. This is attended by various departmental heads, the Director Medical Services, Hospital Superintendent and Nursing Superintendent. The main objectives of these morning meetings are to know daily functional and operational issues quickly, prioritise and solve them by taking working decisions. These meetings have proved to be very useful and effective in smooth functioning of the hospital. At the same time, these types of meetings reduce communication gap between various departments.

c) **One to One meeting with the Consultants/Doctors of MSB and MCB** are held by the President and General Secretary. In these meetings, suggestions are taken from them, their performance is reviewed and it is impressed upon them to embrace the digitalisation process and the policies of the organisation in true spirit. There is a general feeling that the working environment of the hospital has improved tremendously and a sense of healthy camaraderie is prevailing.

14. Preventive Healthcare & Awareness:

- i. **Free Diabetes Screening :** As cases of Diabetes are increasing and many of them are detected at late stage and often with complications, we have started this unique program of Free Diabetes screening everyday at our hospital from 8.00 AM to 10:00 AM. This program is in its early stages, and so, we need to create proper publicity so that more and more people can avail of this and benefit.

ii. **Free Dental Check Up :** We have seen that many expecting mothers are exposed to dental problems which are often ignored and leads to complications later on. Therefore to encourage them to seek dental remedy, this program has been launched. We provide free dental consultation to all pregnant women who are registered with us. In addition, we also provide free dental check up for Senior citizens. This initiative is also in its early stages and needs support of all to become more successful.

Several NGOs and Organisations are associated with us and extend their help and support in organizing such camps. Health camps always spread a positive impact on the society and people become aware of their general health conditions and good hygiene practices to adopt. The hospital's effort to reach out to the society may help the public to become more conscious and aware of the diseases and take adequate precaution of their health and promote healthy living. Our hospital is also organizing health camps in various corporate houses, factories and industries. The details of health camps organized during FY 2023-24 are given below :

- vi. Breast cancer is a leading cause of death in women. Currently, the Mammography that is done for breast cancer screening is a long and uncomfortable procedure, painful and the patient is exposed to radiation. There is a newly patented device wherein, it utilizes thermal images of the scanned breast to read the tissue imaged without any exposure to radiation. It is quick and much convenient to the patients and is known as Thermalytix. On 23rd June, we scanned 29 female staff members of the hospital. The result is based on algorithms and the report is generated through use of AI. Perhaps, it would benefit more people if we have the machine installed in our hospital. With our focus on Preventive Healthcare, it may not be out of place to procure it.

15. Academics and Research :

Training and Education are an integral part for growth and development of a hospital.

Our hospital is taking up a number of initiatives in this direction.

- a) **Academic Council :** Academic activities of Marwari Hospitals is increasing and we are planning to start other programs too. With the renewed focus on academic activities, it has become pertinent to monitor the different activities regularly. It was therefore decided to set up an Academic Council for the purpose. The “Academic Council” set up under the Chairmanship of Dr. Bharat Bhusan Kukreja will oversee and monitor the different academic activities and suggest improvements/resolution of problems, etc.

At present, we are running the following academic programs:

- i. **NBE Course :** Marwari Hospitals has been approved by the National Board of Examinations in Medical Sciences (NBMES) to run 2 post MBBS courses namely Family Medicine and Obstetrics and Gynaecology since 2022-23. All the allotted seats, i.e 2 seats in Obstetrics and Gynaecology and 4 seats in Family Medicine have been filled up for the academic session 2023-24 by candidates selected from an All India Entrance Examination from all over the country. With the All India NEET PG Entrance being postponed we expect some delays in the students joining the courses for the session 2024-25.
- ii. **Paramedical Courses :** Marwari Hospital has been approved by Srimanta Sankaradeva University of Health Sciences, Guwahati (SSUHS) for conducting diploma courses in the following disciplines with 15 seats in each discipline:
 - a) Medical Laboratory Technology
 - b) Medical Radiographic Technology
 - c) Physicians Assistant
 - d) ICU Technology
 - e) OT Technology
 - f) Emergency and First Aid Technology.

Academic documents of enrolled students of 1st batch (2023-24) were submitted to SSUHS. Regular classes have started from November 6, 2023.

Senior and renowned professionals from the Medical College and other facilities in the city participated. The entire program was co-ordinated & marshalled by Dr. B.B Kukreja and Dr. Dinesh Agarwal. Our Clinicians and DNB students actively participated in this event.

16. Ethics Committee :

Marwari Hospitals have a vibrant and active Ethics committee in place. ECRC-HEC (Ethics Committee Research Cell-Hospital Ethics Committee) of Marwari Hospitals is registered with DGCI. Our certificate is renewed till 28th November 2024. The HEC and Clinical Research Unit is also NABH accredited and it happens to be the first Ethics Committee to receive such recognition in North East India.

Our hospital is a preferred destination of many organisations who want to conduct Clinical trials or other research based activities. The Ethics Committee ensures the protection of the rights, safety and well-being of human subjects involved in a clinical trial and it is responsible for reviewing and approving the protocol, the suitability of the investigators, facilities, methods and adequacy of information to be used for obtaining and documenting informed consent of the study subjects and adequacy of confidentiality safeguards.

Till now the Ethics Committee has received a total of 81 study proposals, out of which, Academic studies were 14, Paper publications were 5 and 62 nos of Clinical trials in different specialities. In 2023-24, a total of 14 study proposals were received including 7 Academic Trials (6 were approved), 3 nos of Paper publications (all approved) and 4 nos of Clinical Trials (2 approved). It is a matter of great pride that our Ethics committee licence is used by one other city based hospital to run their DNB program and research activities.

17. Administration and Legal Affairs:

A. Legal matters and patient complaints:

- i. Matter of PC-PNDT: The old case of PC-PNDT is still pending before the Honb'le Gauhati High Court.
- ii. Other Cases in different Forums:
 - a) Case of LalBabu Mahato was settled through Lok Adalat.
 - b) Complaints of Pawan Kumar Agarwal, Md. Ayezul Ali and Uma Sankar Bajaj are still pending in Consumer Disputes Redressal Forum.
 - c) We have filed a Cheque bounce case against Rohit Sah for Rs 38,000/- and Shri Uma Shankar Bajaj for maligning the image of the Hospital. The case against Shri Uma Shankar Bajaj is pending before CJM Court.

18. Internal Audit : Activities of our hospital have increased and it has become imperative that we have strict internal control procedures. Though we have developed our own systems and Standard Operating Procedures and there are various committees to oversee these systems and procedures, yet a strong need was felt to appoint a full time Internal Auditor in view of the fact that ours was a highly regulated institution. M/s P.Gaggar & Associates, Chartered Accountants have been appointed as our Internal Auditors w.e.f. 01.08.2022.

Monthly reports which the auditors are submitting have been found to be very useful. These cover almost all the departments of the hospital. These reports are regularly discussed in our "Finance, Audit & Risk Mitigation

Committee” and remedial measures are taken which is immensely helpful in smooth operations of the hospital. Marwari Hospitals have robust systems in place, and almost every activity is protocol driven now, and the incidences of errors have reduced tremendously.

Comprehensive TPA Audit was also undertaken. Short comings have been addressed and we have stepped up our efforts to realise the outstanding dues. It is also being ensured that new claims are filed on time and are flawless.

19. Awards to Hospital :

Marwari Hospitals was awarded the “Best Patients Friendly Hospital Award” on the occasion of Pre women’s day celebration organized by Pratham Khabar Media house on the 3rd March 2024. The award was received by Hospital Superintendent Mr Rohit Upadhayay. This prestigious award is a testament to our unwavering commitment to providing compassionate and patient-centred care. It is a recognition of the hard work and dedication of our staff who ensure the comfort and well-being of our patients. Earlier also in 2022, Marwari Hospitals had received “Best Outreach Hospital” award in an event organized by News 18 media house.

Along with the “Best Patients Friendly Hospital Award”, our Nursing Superintendent, Miss Jubida Rynjah was awarded with the “Gyanashree Award” and our PRO, Mr Anupam Laskar was also awarded with “Axom Jyoti Bata” for their remarkable work during the year.

20. Challenges Ahead:

Bed occupancy remains a matter of concern for us. Newer health care facilities have come up in the periphery and other areas that were the traditional areas of patients to our hospital. Though we have taken several measures to increase the bed occupancy, still a lot more is required to be done.

Ever rising of input costs pose another big problem. This compounded with huge outstanding from different agencies in respect of services given under various schemes of the Government has put a lot of strain on the finances of the hospital. This has blocked our working capital and has affected our developmental activities.

Non availability of qualified and competent medical professionals in this region is another big challenge. In the healthcare industry ,the attrition rate of manpower is also high. Therefore, retaining qualified and experienced manpower poses operational challenges. We also have to constantly up-grade ourselves with the latest technology to keep pace with new medical facilities that have come up. All these involves a lot of cost.

The Covid pandemic has had a lasting effect on the healthcare industry and its effects are still being felt. The positive lessons one learnt from that pandemic is helping us to propel forward with newer determination and more resilience. We are more focussed now on innovative ways to deliver healthcare services to the community at large.

Efforts towards introducing newer facilities and services are continuing. We have tied up with Indian Spinal Injury Centre, New Delhi for conducting regular OPD at our hospital. We are getting good response from the public.

We are also trying to increase Super speciality services in the hospital. Currently, we lack such service in Gastroenterology and Cardiology and if in the coming time, we can introduce these 2 superspeciality services full

time, we shall be able to provide the full range of health care services to the people. We need to plan for introducing these facilities.

Over the years, we have been serving many needy patients under various Govt. schemes like Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB PM-JAY) and Ayushman Asom Mukhya Mantri Jan Arogya Yojana (AA MM –JAY). However, the Govt. has come out with a notification whereby they have removed most of the services from the purview of private healthcare facilities with effect from 1st of August, 2024. This may seriously hamper our mission of serving the needy and also adversely affect our revenue.

We are determined to face these challenges. Development is a continuous process and the healthcare industry is evolving very fast. We shall need to keep pace with these newer changes and developments so that we can continue our noble mission. Challenges will be there, but we need to better our act to overcome the same. We continue to seek your support so that our vision of bringing excellence in healthcare within the reach of all is achieved.

21. **Danveer members :** During this period, Shri M.P.Agarwala became a member in this category.
22. **Gratitude :** We would like to extend our whole hearted thanks and gratitude to Central and State Government authorities, NABH, NABL, all our esteemed donors and well wishers, working committee members, past presidents, convenors and members of various committees, esteemed members, doctors, para medical and other clinical and non-clinical personnel, executives, staff members, vendors, suppliers, bankers and all those who have directly or indirectly contributed to the cause of Marwari Hospitals. Our deepfelt gratitude to Dr.Bharat Bhusan Kukreja for all the help he has rendered to this institute. Special thanks to voluntary Blood donors, various Lions Club in the city of Guwahati, Marwari Yuva Manch, Marwari Sanmelan and its affiliates, Shree Gauhati Gaushala Trust, various NGO's and our statutory auditors M/s RNV and Co. (CASri Rakesh Dudhoria) and GST Consultants M/s V.K. Sureka & Co, our Internal Auditors M/s P.Gaggar & Associates, SDS Group, Ram Gopal Garodia Trust, Lohia Charitable Trust and all those who have contributed immensely to the growth and development of the hospital and also rendered their selfless services to Shree Marwari Databya Aushadhalaya in organising its various activities.
